I, Gene Scott, hereby swear and state that:

1. Dr. Charles E. Slone came before me on November 7, 1999 and disclosed the above invention to me including presenting an actual part representing a true reduction to actual practice of the invention filed in the parent case of the present application, and which represents the invention disclosed and claimed in at least claims 1, 5, 9 and 13 of the present application.
2. U.S. patent 6186786 to Trushkowsky has been cited as prior art in rejecting claims 1-3, 5-7, 9-11 and 13 of the above application and by virtue of the effective date of said patent, December 2, 1999, I hereby submit that the applicant has shown prove of prior actual reduction to practice of his invention.
3. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Title 18, United States Code, Section 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Very respectfully,
